From Chasin, Bari, for Pasquelino, Rome, via Madder, Caserta.

We hesitate to ask for any transfer aid for Bari personnel from you as we are aware of the Rome service problems. However, this is operationally important here. Mrs. Zsolt Aradi telephone Rome 873605, wife of the Hungarian Desk Staff man here was forced by transport difficulties to leave three children at mountain resort on her return to Rome. We can save several days of Aradi's time here during a crucial operational period, if the Rome office can help Mrs Aradi to get authority and permit to drive a private car to get them. Please wire us what you can do after you have talked with her and got the details by telephone.
